

SCW BEADERS NEWSLETTER

JUNE 2015

page 1 of 2

Hello there to all of my fellow beaders. I hope you are having a good summer, even though it has not yet started, officially, that is. The heat will be coming and the club may start closing a little earlier on Wednesdays, but it is nothing to worry about.

Our trusty President Sheila will let you know of any changes to our schedule. I was going to sign up to monitor and was pleasantly surprised to see the calendar almost filled up. Thank you to all of our wonderful members who have stepped up to monitor and make sure our club stays open.

A big welcome to our newest members of the club...

There are not many classes going on right now, and we are always looking. But we are very lucky as we now have a new class just for you. It is the Super Duo Heart Bracelet class. It will be on June 22nd, and is perfect for beginners. Remember to leave your \$5.00 check in the envelope when you sign up for the class. It will be returned to you when you show up. I (me, Eva), will be teaching another pearl knotting class in July. Please see the book

in the room and the case for more details.

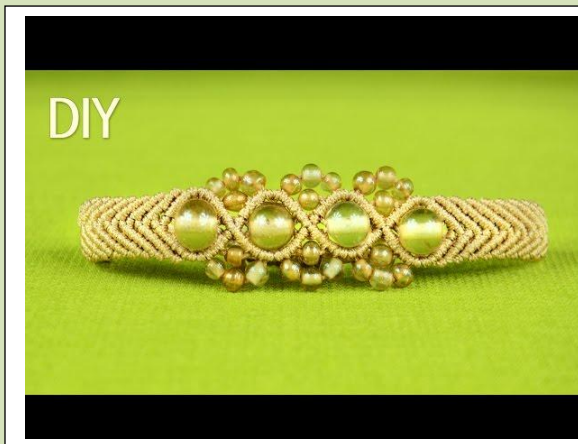

I will also be teaching Kumihimo to anyone who is interested. For the first lesson all you need are the round disk, the weighted bobbins and the centerweight. I suggest you buy them at Bead Unique. I will provide the cord for the first lesson and then I will let you know whatever else you need. It will be a series of three lessons, the first being two basic braids. The second lesson is the basic braid with beads and the third lesson is finishing up your project. I will be at the club almost every Monday night and a very few Wednesday mornings, so if you are interested, just let me know. There are no other classes scheduled for June, July or August at this time, but keep your eyes open as that could change at any time.
