

Hello to all of you young ladies and gentlemen. It is good to talk to you again. A lot has happened since our last newsletter.

We had a wonderful visit from Zina, the owner of Bead Unique, the new bead store here in our very own Sun City West. She very graciously visited our club on Monday night and on Wednesday, to show us a sample of some of the items she will be carrying in the store. She told us that one of the former teachers from confetti will be teaching classes at her new store. The classes will be held on Tuesdays.

The new store is located in the Mercado Del Sol, which is across the street from Bob's Variety, and near the shoe repair shop. The Grand Opening is set for July 1<sup>st</sup>. She is looking forward to all of us visiting her new store. She has a lot of inventory on order, and more will be arriving. If there is something you are interested in, let her know so she can investigate having it in the store.

Now that the summer months are upon us, the Bead Club is a wonderful way to while away an afternoon or evening, visiting with friends and staying cool. You can even work on a project, gasp!, did I say work, I meant create an interesting and totally salable project. There are lots of things to keep us busy. The summer is a good time to learn new and interesting stitches. There is usually someone in the club who knows the various stitches and would be willing to show any newcomer or more seasoned members how to do them.

Newcomers, do not be afraid to ask. We are a wonderful, helpful bunch of men and women who love to help and teach, and of course to show off our newest project.
