

I can't believe it is September already. Where did the summer go, oh yeah it is still here for about another month. But now at least we get to share it with more of our friends who will shortly start returning for the season. Well welcome back, you were missed. We had a very fruitful and hot time, but we got a lot done. Remember the Craft Fair is only a mere two months away. The first Bling Fling is only a month after that, so we all need to buckle down and get started on all of those projects.

### **WELCOME NEW MEMBERS**

Our newest member is Art McClinton. He is very into kumihimo. He has done some beautiful work. Ask to see it when you see him at the club.

I am very proud to be a part of one of the most creative clubs here at Sun City West. I am constantly amazed at all of the beautiful and very different things the members of our club are working on. Take the time to go around and visit with other members of the club and see what beautiful things they are creating. I am sure you will be glad you did. You can pick up some new ideas and our members

are always ready to help, and enjoy teaching their craft ideas to other members.

In case you haven't been reading your emails, starting in September, Bobbie Jones will only be ordering from Fire Mountain on the first and third Mondays of the month. Your items will be delivered on the second and fourth Mondays. She says she needs to take a vacation once in a while, and while we will miss her, she does deserve some well earned time off. Bobbie has been a great asset to the club for all of the work she has put in doing all of that ordering for us. Thank you Bobbie for all of your hard work! You deserve a break today!!
