page 1 of 3

Welcome back everyone. It is good to see some older familiar faces. There are more and more people coming to our club which is a great thing. It is lots of fun to walk around and see all of the new projects that our wonderful and creative members are working on. Take some time to go around the room and check out all of the talented folks we have in our club.

A **BIG**, and hardy welcome to our newest members:

Martha Jane Rasch, Esther Kelly, Emily Hodus, and Margaret Torres.

Welcome to our club, where only the most creative and friendly people join!

## Hours and Policies

Monday 6pm – 9pm

Wednesday 9am – 4pm

**NO SCENTS, NO PETS**

**WE NEED BLING, WE NEED BLING!!**

Why do we need Bling? We need it for door prizes at the Bling Fling. If you have anything to donate, please talk to Pat Coontz. She is here most Monday evenings,

and on Wednesdays. Thank you for your cooperation on this matter. We always get beautiful pieces to give as door prizes. And with that in mind, don't forget the Bling Fling is just 5 weeks away. Yes that's right, only 4 weeks after the Craft Fair. Just enough time to recover and make more "stuff"! The date is December 5<sup>th</sup>, so put it on your calendar. It is already on mine!

Speaking of December also put December 9<sup>th</sup> on your calendar for the Annual Holiday Party. It is always tons of fun, lots of good food, a really fun gift exchange and lots of laughter and chocolate. What a great combination. I am looking for the perfect gift for the exchange. The signup sheets will go up November 2<sup>nd</sup>. The Holiday Party will also be on the 4<sup>th</sup> day of Chanukkah, so maybe there will be be potato pancakes and sour cream or jelly doughnuts to help celebrate. Any way you look at it is a yummy day for food and fun, so plan to be there.

Now on to other business at the club.

### CLASSES, CLASSES, CLASSES

We have lots of classes, going through December, and into January and possibly even February. Be sure to look on the counter at the class display box, which has samples of the upcoming classes and the dates. It also usually says the level the class is geared for, ex. Beginner, intermediate, etc. You also need to bring a refundable (if you show up for class) check, for \$5.00, to put in the envelope. You need one for each class you sign up for. Remember to write down the date of the class and let the instructor know in plenty of time if you cannot make it, so they can go to the alternate list.

We have a new website person. Her name is Debbie Helgeson. Make sure to go to our website and let her know about the great job she is doing. It is not the easiest job and she is doing very well. Our website is in great shape. We are very lucky that we have such a beautiful site, as the Rec Center has decided that all clubs must have a website up and running in the very near future.

Did I save the best for last? I don't know, oh yes I do know, it's time to talk **TUCSON BUS TRIP!!!** Yes, Vickie and her trusty co-hort Bobbie have a great trip planned. You should have gotten the email, which has all of the information and the signup sheet attached. Here is the basic information: the trip is scheduled for Wednesday February 3<sup>rd</sup>. The time is ALL DAY AND INTO THE EVENING. The price is still \$33.00. Checks are refundable until December 7<sup>th</sup>. After that time there will be NO refunds for any reason. I know from speaking to Vickie that our first stop, has increased there booths from 500 to 700. Yes you read that correctly, now they have 700 vendors. Yikes, I can't wait. I am saving my money and getting my legs ready to walk. Please see you own email to get the form to fill out and bring to the club.

Now on to the next page for the calendars...
