December 2014

page 1 of 2

Hello there Boys and Girls, Dudes and Dudettes, Men and Women of SCW Beaders. Here it is December, the year has gone by in a flash. Where did the time go. By the time you get to read this another Bling Fling will be upon us. We just finished the Craft Show, and Tucson is looming. So let me get started with all of the news that's fit to print.

First up, are classes. We have many new and exciting classes on the horizon. Our very own Mary Hester has started a wonderful new set of classes. They are beginner bead and thread classes. They are the first Monday of each month. Each month will be a different pattern, or stitch. So don't forget to put in your \$5.00 refundable check and sign up for her class. She is a wonderful teacher, with much to give.

In January we have two more classes in addition to Mary's class. On January 12 there will be a Tila bead class. This is recommended for advanced beginners or intermediate beaders.

On January 26 there will be a Crystal Beaded Heart class. As with all classes, when you sign up you need to put in a \$5.00 refundable check. You get the check back when you show up for class. If you forget to attend and don't call ahead to cancel, then the Club cashes your check.

One more thing. In January, date to be determined, there will be another

wire wrapping class. This class will be held on a Wednesday. The cost of the class is \$10.00 (not refundable) plus supplies. Please keep a lookout in the class book for the date and time.

In February there is a class on the Jazzy Ring. Dates and times for all of the classes are in the class book which should be on the counter, whenever the Club is open.

If you have not monitored, don't forget it is one of the ways you stay a member in good standing, and it helps to keep the club open. No Monitors...No Club!!!

Now on to the really important news... **THE TUCSON BUS TRIP!!!** We are a very lucky Club to have Vickie DiCamillo in charge of our trip. She has gone above and beyond to make sure this is one of the most memorable trips in recent history. She has written to at least 40 vendors, telling them of our impending arrival, and asking what they can do for us. She has many offers that will be revealed on the bus...so sign up today, or ASAP. One bus is already filled and she is busily working on the second.

Remember our club is a **NO SCENT, NO ANIMAL, NO POLITICS** club.
