

SUN CITY WEST BEADERS

MARCH 2014

Hi there fellow beadners and beadettes. Here is another month gone and St. Paddy's day coming up soon. Speaking of the green, don't forget our Spring Craft show is on the horizon. You have already started to get the relevant information from your emails. This year, for the Spring Fair only, we will have two separate venues, our usual spot in the Social Hall and a second location on the stage. This will give us a lot of added room for people to mingle and look at our wonderful wares. You can now put in extra items, so be sure to take advantage of our new space and remember it is for this show only.

REMEMBER

OUR CLUB IS A NO SCENT CLUB!!!

CLUB HOURS

MONDAY – 6 – 9 P.M.

WEDNESDAY – 10 A.M. – 4 P.M.

First of all I owe a big shout out to my two fabulous helpers for the Tucson Bus trip, without whose help the trip would not have been as smooth and seamless as it appeared. A big **THANK YOU** to Pat Coontz and Vickie DeCamillo. Vickie is our new Tucson liaison, so let's help her in the same wonderful way that you have helped me in the past.

Also a big shout out to Shelia, who goes above and beyond in sending out all of those emails we love to get.

There are a lot of classes coming up, so don't forget to check the class book and to leave your \$5.00 refundable check in the envelope for each class you sign up for.

Following is a list of new bead stores in the area, and a reminder to take advantage of the wonderful offer from Bead World.
