JUNE- Pearl – Purity, faith and sincerity

Hi there all you good people of the beading culture. This newsletter is not gray because of sadness; it is gray for beautiful pearls, our gem of the month. If I could make it sparkle I would. Maybe it is something I could learn.

Anyway on to more stuff. It is finally June, and we have been very lucky so far with tremendously wonderful weather for the month of May. The club is open its usual hours and the room is nice and cool. It is a great escape from the oncoming heat. Take a moment to consider monitoring during the months of June, July and August. It is a perfect time to get your monitoring in. Do it for a full day on a Wednesday and your obligation is over in one fell swoop. Just a thought. Monitor on a Monday night, it's easy and there are lots of us there to help, if you need it. Again, two Mondays and your obligation is filled.

**CLASSES,CLASSES,CLASSES!!!!!!!**

There are classes all during the summer months. Even though our intrepid leader, Mary Hester is away, I will be scheduling any new classes. If you are interested in teaching anything, just let me know so I can put it on the calendar. The Kumihimo basics and beyond will be going on all summer long. It is scheduled for the third Monday of each month. Just be sure to sign up so I know what you

interested in, and I will have the appropriate materials available. There are other classes also on the horizon. Be sure to check the book and leave your check. Refundable when you show up for the class.

Hours Etc.

Monday 6pm – 9pm

Wednesday- 10am – 4pm

Remember our club is fragrance and pet free. Please be kind to our members.

Even though it is June, it is not too early to start thinking about the upcoming Craft Festival and the Bling Fling. They will be here before you know it.

Be sure to give a great big thanks to Bobbie Jones, who out of the goodness of her heart, does our ordering, sorting and buying, at great prices, from Fire Mountain.

**THANKS BOBBIE!!!!!!!**
