MAY- Emerald – Love, sensitivity and loyalty

No, I am not green with envy, I am green for Emeralds, this month's Birthstone. I don't know where the time has gone, but is sure has flown by. Soon after you read this there will finally be a new computer at the club for our use. It will be fast, and up to date. Use it with care. Remember it belongs to all of us.

On the social side, our contribution to the library case is coming up. This is a great way to showcase all of our skills and beautiful work. Be sure to give a piece or two to Harriet or George Homuth, so they can put it in the library. Also they are in charge of the case in the Sagebrush Room where we display our wares for sale. You can put up to 3 pieces in this case, (temporarily increased to 5). Give it some thought.

you are monitoring, please let the people in the other room know, so they can put away their supplies, before you lock up the cabinets.

There are still lots of classes going on. For example just for the month of May because I messed up April so much I am doing the kumihimo demos, teaching, etc. the first and the third Monday of the month. Mine is not the only class going on. Please check the case and the book for all classes.

Zina's new store will be open and she is offering lots of new stuff. With a lot of room to fill she has really expanded her inventory, and don't forget the free classes. You just need to buy your supplies from her.

Hours Etc.

Just a few last minute things:

Harbor Freight is now open. It is in the same center as the 99 cent store. It is near Peter Piper Pizza. They have lots of stuff for beaders, and non- beaders too.

There will be a pool party this summer, stay tuned for more info.

Stay cool in the beading room!

If you are concerned with being a member in good standing the summer is just the thing. Monitor for a full day on a Wednesday and your obligation is complete. This holds for the rest of the year also.
