

Hello to all of my beading friends. Where has the year gone? It is already the end of the first quarter and into the start of the second. Before you know it...well. We better get beading. I hope all of those who participated in the Spring Craft Fair did well or better than they had imagined. It was a beautiful Fair.

But wait.. What have we on the horizon? A bead stash sale you say, YES, I say. It will be held on Saturday April 13th, in the Sagebrush Room from 9am til noon. That is just enough time to replenish your stash and get a head start on some new projects. There will be lots to buy and the prices can't be beat. So tell all of your friends to come to the sale. There is no finished jewelry, but all the makings to start many beautiful projects. I myself am taking 3 tables and they will be chock full of more stuff I found. Yikes, I had no idea that I had even bought most of the stuff, and I am still finding little pockets of stashed beads and accessories I haven't seen in years. Only club members may sell, but anyone can buy, family, friends, co-workers, etc. So tell everyone you know to come to our sale. Help your club and fellow beaders.
