January 2019

page 1 of 2

Hello and Happy New Year to all of my fellow beaders. I can't believe another year has flown by. Where did the time go? I know I am getting ready for our Holiday Brunch Party at Briarwood on Sunday the 13<sup>th</sup>., and I hope you are too. It looks to be a fun day. My favorite part is the gift exchange, it is always so much fun!!!

Right on the heels of the part is the TUCSON BUS TRIP. I am signed up for that also. I am rethinking my vow of not to buy any beads or cord, and I may have to amend that, because I think I may want some pearls, and some Swarovski crystals, to make some Easter eggs, etc. Well We'll see.

The Tucson trip is scheduled for Wednesday February 6. I got a card from the promoters saying it is three shows in one and there will be over 1,000 booths classes and displays. That is a lot of stuff to see. Last year I made it to 9 booths in 5 hours, I hope I can do better this year.

If you are a Facebook member, please be sure and check out our Facebook page (SCW Beaders). We post Show and Tell photos each week and our members share items of interest. It is a great way to share ideas and communicate outside of the club. You can find the forms you need for the Craft Fairs and Bling Flings under the File section. The club calendar is there also. We hope to link the class calendar to our page in the near future.

Did you know? Did you know we have a beautiful display case in our room. It is a way to showcase more of our beautifully made jewelry to the community, who may not get to the Village Store. So, think about putting in some of your pieces for sale. Just give them to Harriet or George Homuth, they are the caretakers of the cabinet. They will be glad to display your pieces. They still need to go through QC, and have a form filled out. Remember it is for your benefit to have a beautifully filled case for people to see.

## RULES, REGS AND HOURS

I don't have the dates yet for the Craft Fairs and the Bling Flings for 2019, but I do know they are on the horizon. So, keep beading and stay ready for more news. As they say in the NYT(New York Times) All the news that's fit to print. Onward and upward to the calendars.
