

SCW BEADERS

February 2013

page 1

Hi there fellow beaders, I am experimenting with a new format for your newsletter. Please let me know how you like it, or would you rather I go back to the old format.

Club Hours:

Mondays: 6pm – 9pm

Wednesdays: 10am – 4pm

Our club is a no scent club.

Membership has asked if you no longer want to receive emails from the club to please let someone on the membership committee know.

Welcome New Members:

Alison Guthrie, Diane Lindsey, Patricia Martin, Deb Palen, Marilyn Torgrimson,

Marilynn Wenner, and Betty Winscott. If I have forgotten anyone, I am sorry, these are the names I have to date.

I am blue, because I am so late with your newsletter. The deadline for news is the 26th of each month. I will do my best to get this out on time, but the bus trip has really taken off this year. Thank you for your patience. Eva

Important upcoming dates

Thursday Feb. 7th – Tucson Bus Trip

Friday Feb. 8th – 6-8pm Fling set up

Saturday Feb. 9th – Spring Fling 8-3pm

Teachers needed! Please contact Mary Hester at mcdh00@q.com

Here are the upcoming classes, some are ongoing, but you must sign up for all of them. When you sign up remember to leave a \$5.00 check in the envelope for that class. The check is refundable when you show up for class. If you must cancel, please let the teacher know ASAP so they can call a substitute. ***Most Important!!:*** Bring the supplies as listed on the supply list, do NOT make any substitutions for the first project. When you have learned the technique then you can change the various components. It is not fair to take up the teacher's time with "Will this work"!

February 11th – Cinderella project earrings

February 18th and 20th – 2 drop peyote

February 25th and 27th – Kumihimo, beginner and other

Don't forget the deadline for the next newsletter is February 26th. You can call me (623-792-7186) or email me craftybeach60@gmail.com.

February is Volunteer Recognition Month. Please join me in thanking all the members who volunteer to make our Club a huge success. Each of us appreciate those members who make contributions – from the monitors so we can open, elected Board Members who run the business of the Club, and all the committee chairmen and co-chairmen.

The Cinderella Project

I apologize for the lateness of this announcement, but we need to get our jewelry, preferably earrings into Karen Bjork before March 18th. We are still woefully behind last year's generous donation. So please start beading! Make those earrings!!! This is our only charity project for the year and it is very important to all the young ladies who are able to be helped by this worthy project. Last year they gave away 900 prom dresses. It would be nice if all the girls could also get a pair of earrings. No sets please, they would rather everyone get one item, than one girl getting a set and someone else not getting anything. So please help. Thanks
