JANUARY 2016

page 1 of 2

Hello there, I can't believe it is a New Year already. Where did the time go? I hope you are ready and raring to go because the year is starting off with a bang.

First of all there is barely one month to go until the current Bling Fling. It is set for February 6th from 9:00am till 3:00pm.

This is only three, yes count them three days after the Tucson Bus trip. I hope you have your place reserved, because this is going to be a great trip. There are more vendors than ever before, so of course, there are more places to spend your hard earned money. I am putting my pennies in a jar; okay my dollars in the wallet, to get them ready for a trip.

Also, on February 15 there is a tentative "New Year's" party at Club. More details later but mark your calendar.

CLASSES, CLASSES, CLASSES

There are classes listed in the book at the club. Don't forget, if you sign up for a class you must leave a \$5.00 check, which is refundable when you show up for that class. Take down the teacher's number, so if you are unable to make the class, please let the teacher know so she can call the people on the waiting list.

There will be a special class the first Monday of each month. There is a signup sheet, but you can also just show up. It is a class on bead

weaving. This is for the very beginner, or those of us who do not know any stitches, or cannot remember how to do them. It will be taught by Mary Hester. She will provide everything you need. Remember it is the first Monday of each month.

The next general membership meeting will be on Monday January 18th. The meetings start at 6:30-? They are in the Sagebrush Room, which is our usual meeting room.

All other classes and meetings take place in the Agave Room, when available. I am referring to the Board meetings and any and all classes.

If you want to start getting your calendar in shape, here are some dates to get you started...
