The birthstone of the month is Aquamarine : courage & preparedness

Hi there,

Ladies and gentlemen. I hope you had a good winter, and I hope we are on to the great Arizona weather, we have all come to know and love.

## HOURS AND POLICIES

Monday 6pm – 9pm

Wednesday 10am – 4pm

Our club is scent free and pet free.  
Please respect your fellow beaders.

We have a lot of fun classes on the books for March. Check them out. Don't forget for each class you sign up for there is an envelope for your \$5.00 refundable (when you show up for class) check. There are classes for all levels of beaders.

All about Beadweaving 102 - Patti and Gretchen, two wonderful beginner beading teachers are offering a new type of class. It is open to anyone, new or experienced, who wants to learn new stitches. She will be teaching all of the basics. It is a great way to get started. I know they sent out an email about the first class, you do not need to even sign up, but there was a list of supplies. So go back and read that email! Here is a short synopsis: Bring yourself, a mat and needle and thread, three

different color size 11 beads, tools, a button, bead or other clasp.

Just check out the book that is on the counter and look in the case, to see what is coming up. Write down the teacher's name, so in case you cannot make the class, she can call the alternates.

The Spring Craft show is on the horizon. It is coming up in March. March 19<sup>th</sup>, to be exact, I think. So get ready.

Then right on the heels of the show is our Picnic. Wednesday April 6<sup>th</sup> is set aside for us. Let's hope for balmy weather.

Looking way forward the Fall Bling Fling will be on Saturday December 3<sup>rd</sup>, from 9-3, and our annual Holiday/Christmas party is on the calendar for December 7<sup>th</sup>. A day that will live in infamy.
