

SCW BEADERS NEWSLETTER

MAY 2017- The May flowers are here and so are the allergies.....
aaachoo!!!

Page 1 of 2

Well hello again to all of our beading friends. The summer is nearly upon us, most of the snowbirds have departed and the traffic is easing up a tad. Time to try all of those new restaurants, before the crowds return.

Well I had a great time at our picnic and if you attended, I am sure you did too. A great big hand goes out to all of those responsible for our good time and good food.

Don't forget we still have classes running all year, not just in cooler times. In fact this is a great time to take or to teach a class. The signup sheets are on the counters along with a beautiful display of what is being offered. Again, don't forget your \$5.00 refundable (when you show up for class) check for each class you are taking.

Something new. We are no longer planning a trip the third Thursday of each month to Bead World. If we want to go another day, with advance notice to the owner, Karen, she will contact the Phoenix location to let them know that we are coming so we can get the 30% discount. It has to be by advance notice so she can plan! There are special coupons at the monitor's desk, so check them out.

If you were at the last General Meeting, we talked about the Holiday Party. I announced who was on my committee; they are: Laura Hankin, Charlene Elsasser, Marcia Harmel and Maureen McGinn. If you think you are on this committee and your name is not here, please let me know. We have decided on a catered Bar B Que theme and have lots of options we need to discuss. More to follow.

Remember, this is your club, and you need to give back. The best way is to Monitor. You get to see the overall running of the club, meet and greet new members, and in general, be the general and make sure things run smoothly. There are always others at the club to help you along, so no need to be scared. Let's make sure the club stays open, as space is at a premium and we don't want to lose ours.

CLUB RULES AND HOURS

Monday 6pm – 9pm

Wed. 10am – 4pm weather permitting, if it is too hot we may close early.

Our club is a **NO pet, scent or politics** club. Please be respectful of all of our members.

3- Bead	5- Bead	
10-Bead & Bd. Mtg.	12- Bead	
17-Bead	19- Bead	
24- Bead	26- Bead	
31-Bead		

I don't want you to think that we forgot all of our wonderful members who planned and manned the Summer Fun Happy Camp program. We had a full slate of kids and they had a great time. Thank you again for giving back to the club. See you next month. But for now stay inside and stay cool!!!
