AUGUST 2017 IT'S STILL HOT!!!

PAGE 1 OF 2

Hi there gals and guys, boys and girls ladies and gentlemen. Here it is August, I can't believe how the time has flown by. It is almost time for the Fall Craft Fair and the Bling Fling. What you say, it can't be that time already...I still have so much to do and thought I'd have lots of time left. Well before you know it that time will be here.

So get your tool hopping and start making those beautiful pieces of jewelry that I have gotten used to seeing in our Craft Fair and Bling Fling.

We have been very lucky and gotten a few wonderful new members who are stepping up to the plate and pitching in to help where it is needed, especially in the area of monitoring. If there is no monitor there is no club, so if you can monitor and you have not, sign up now. The next time you are at the club, put your name on the calendar, so we can stay open and running.

As of now there are no new classes being offered. If there is a class you would like to take or to teach get in touch with me so I can put you on the calendar.

We are very lucky, as our club has many fantastic members. They give back to the club in so many ways. One of those members is Bobbie Jones. Bobbie has a special account with Fire Mountain that she lets us use. We get the best prices around and pay minimal amounts for shipping, AND NO TAX!!!
