We had an eclipse, it was beautiful, now on to beading!!!

Well hello again, here it is September, and where did all of the summer go. Don't be fooled it's still here, right up until October. But it is time to start looking forward to seeing all of our winter friends returning to their nests, and getting ready for all of the Fall things to come.

Yes, it is September and that means the Fall Craft Fair is just around the corner as is the Winter Bling Fling, the Holiday Party and all kinds of good stuff, and stuffing!!!

Our big General meeting is coming up this month. Monday September 18th is the date, so put it aside and come to the meeting to find out all that is going on.

One new thing on the horizon is the annual Ornament class taught by Pat Coontz and Carole Daly. I know a lot of you are looking forward to this class as it fills up fast. This year they are demonstrating a candy cane. Hopefully I can get the picture into this newsletter. Here is all of the information you need at your fingertips. The class will be held Monday and Wednesday in October. Monday the 16th at 6:30 and Wednesday the 18th at 12:30. Both classes will be in the Agave Room. You **MUST** know tubular peyote to take this class. A supply list will be with the sign up sheet. You **MUST** leave a \$5.00 refundable (when you show up for class) check, to be considered entered for the class.

Space is limited so sign up when you see the sheets in the sign up book, which will be ready by September.

Yeah I did it, here is the picture of what you will be making. It's a real beauty. Don't forget the class is limited. If you are out of town and will be back, have a friend sign up for you and put her check in the envelope for you. Don't miss out. If you cannot make the class and you are signed up. Please. please, please contact Carole or Pat so they can call an alternate, and you will get your check returned to you.

This newsletter is turning out to be a little longer than usual, so I added another page. The calendar page will follow this one as usual.

The Candy Cane class is not the only class we have, but it is an early start for the new season. Remember, if you are interested in teaching a class contact me, Eva, so I can get you on the books and all set up.

As in the past Kumihimo classes are on an as needed basis. I tailor the time to your schedule. Just let me know when you want to take a class and what level you want to do and we will set it up together.

Hours and rules

Monday 6pm-9pm

Wed. 10am-4pm

We are a NO scent, politics, or animals club. Please be kind to your fellow members.

Remember I said that is not all that is coming up well I meant it. Here are some other things to start to get prepared for...

I am pretty sure the Fall Craft Fair is set for November 4th. That is but a hop, skip and jump away. There will also be another General Meeting in November, the 13th to be exact. It is important so plan on attending. Then before you can blink and get ready the Winter Bling Fling is Saturday

December 2nd followed 4 days later by the Annual Holiday Party. That's on the 6th by the way. Yikes, too much to do in not enough time. So get crackin....

There will also be other classes to take, so keep your peepers peeled and check the class book each time you come to the club. Bring your checkbook with you so you can sign up for multiple classes.

I will not bug you at this time with anything else, unless it is something I forgot and Candy and/or Sheila do a little editing. So on to the calendar page.
