

SCW BEADERS NEWSLETTER

APRIL 2020

PAGE 1 OF 2

A hale and hardy hello to all of my favorite beaders, which by the way is all of you. I hope this newsletter finds you in good health. I know it is hard staying inside and away from everyone at this time, but hopefully it will soon be time to start to gather. I know in my case I have done quite a bit of cleaning and rearranging. No, I have not done any beading, but I could have! I will be beading in the near future, just a little more cleaning to go. I found lots of stuff I did not know I had or had forgotten about---way, way too many of some things.

In the coming months as things hopefully start to get back to normal and while awaiting the Craft Fair and Bling Fling, I have a few random thoughts. Here is one of them. When we finally get back to meeting, I thought each Monday night I would pick a theme, i.e., books, thread, strung beads, etc. Each Monday night I will bring in those items that I may have accidentally bought too much of. It will be a mini sale, like a stash sale but on a much smaller basis. This way I can make room in my house to get something done and at the same time help my fellow beaders. I am sure many of you also have extra items you wish to part with. How does that sound?

I know I have an excess of books, wire, strung beads, kumihimo thread, disks, etc.---way more than I ever thought I had. So write to me at evabug@gmail.com and let me know what you think.

CLUB HOURS AND RULES

Monday 6-9pm

Wed, 10am-4pm

WE ARE A NO SCENT, NO ANIMAL, NO POLITICS CLUB. Please be kind to your neighbor and refrain from using perfume and/or heavy body scents as many of our members have severe allergies.

Because the Rec Centers will be closed at least until May 3, the SCW Beaders Board has cancelled the April 20 general meeting. It is sad that we will not have an opportunity in April to take all the wonderful beading classes that were scheduled. I am not going to post the April calendar since we will not be meeting until May at the earliest. I will start with the May calendar.

Thank you for listening and for being such good bead buddies. Stay healthy and see you on the other side of this crisis.
