

SCW BEADERS NEWSLETTER

MARCH 2020

Page 1 of 2

Hello Everyone, it's that time of year again. Time for the Wearin' of the **GREEN**. I can't believe it's March already and some of our members are almost getting ready to flee to cooler climes. Oh yeah, the heat is coming, but we have a little time to get ready.

Get ready for what? you say... well I say the Spring Craft Fair, our Spring Picnic, the Bead Challenge, the Silent Auction, and Beads in the Garden.

First things first. The Spring Craft Fair is just around the bend. March 21st is the date. If you haven't signed up to help and you would like to----YEAH! We always need your help. Go to the monitors desk to sign up.

Now on to the Pic-a-nic as Yogi would say. The picnic will be held outdoors (weather and wind permitting). The date is Wednesday April 1st, no pranks, and starting at 11:30. Sign up starts March 11th and the last day to sign up is March 25th. If you are "Gluten Free" please mark GF when signing up. The GF selection will be a lettuce wrap. We are serving sandwiches from "Jimmy Johns."

At the Spring Picnic there will be a Silent Auction, offering all kinds of good stuff. The Silent Auction pays for all of our gift card giveaways at our Holiday Parties.

If you have something to donate, give your items to Laura Hankin. If you have any questions about the picnic

or festivities please see either Pat Coontz or Sharon Pryor. Don't worry, I did not forget the Bead Challenge. It is a lot of fun. At the Tucson Gem and Mineral Show Vickie DiCamillo bought a focal bead and some additional beads to come up with a Bead Challenge kit. It is up to you to use the focal bead, perhaps some additional beads from the kit,

perhaps some additional beads of your own, your imagination and create a beaded item using the focal bead. At the Picnic there will be a table displaying all the beautiful creations. See Vickie for details.

From 8 to noon on Friday April 3 and Saturday April 4 our club members will participate in a joint sale with the Desert Garden Club near their Beardsley greenhouse. There is still time to sign up to participate in this joint sales event if you so choose. Contact Chair Debbie Helgeson for details on the table lottery, quality control dates, etc. Membership also approved the Desert Garden Club's offer to give us free display space in

their future new greenhouse. If you have questions about the Beaders future greenhouse display, contact president Lynn Krabbe.

In a recent vote membership approved the Rip N Sew Club's request to sell at Beardsley on the same date as our December 5 Bling Fling.

Please support our two bead shops that also support us. They are Raincharmer Beads (4212 W Cactus Rd., Phoenix) and Bead World at two locations: 6068 N 16th St., Phoenix and 10820 N. 71st Place, Scottsdale. Go to their websites to check them out and be sure to show your bead club badge when going shopping as both places give us a really nice discount. They have quality beads that you can't find at Michaels or Joann. The respective websites are:
