## National Aquarium Month

Hello to all my fellow Beaders. I hope this finds you in good health, staying safe and staying home. The good news is there is toilet paper in the stores again, although sanitizing wipes are still scarce.

The other good news is that the SCW Rec Center has started to open up clubs. Nineteen clubs with dedicated clubrooms will open up June 8. We hope the Rec Center will allow the Beaders to reopen soon thereafter. We have a reopening plan in place, and we are ready! The Rec Centers are doing a deep clean. They will be cleaning to some extent between clubs. We will have access to certain supplies, but if you are worried about wipes, I suggest you bring your own. The Rec Centers will be supplying soap and paper towels. I do know that in the past there was NO hot water in the Agave Room. I don't know if this matter has been addressed.

You all received an email dated May 21<sup>st</sup>. In that email were the room plans and seating arrangements. The club will have the Sagebrush Room on Mondays and Wednesdays and the Agave Room on Wednesdays during our designated times.

Please do not come early as the Monitor needs the time to open cabinets and get things ready. The monitor will be signing in members.

Seating at SCW Beaders will be on a first come, first served basis. This should not be a problem during the summer. If you are in the Agave Room and leave, you should alert the Monitor so she can let others know there is a space available.

There are still things to be worked out, so watch your email to know when for sure the club will be opening.

### CLUB HOURS AND RULES

Monday 6-9pm

Wed, 10am-4pm

WE ARE A NO SCENT, NO ANIMAL, AND NO POLITICS CLUB. Please be kind to your neighbor and refrain from using perfume and/or heavy body scents as many of our members have severe allergies.
