

# SCW BEADERS NEWSLETTER

MAY 2020

PAGE 1 OF 2

National Barbecue Month

I hope this newsletter finds all of you safe and sound and healthy. From what I've heard there are not many cases of the virus here in SCW. Of course, there could be more, but I hope not. So far, I personally do not know anyone infected, and I would like to keep it that way. Enough gloom! Let's get to something fun.

I am hoping by the end of May or maybe a little before we start to get back to a new normal. I am including beading on all of the calendars; here's hoping some of it comes true.

I have never done so much cleaning and rearranging. Now of course it looks better in the craft room, but I can't remember where I put anything so of course the hunt for specific items continues. I did find 3 totally new spools of thin wire, which I think Steve Allen, one of our newest members, might be interested in. I also found lots more books I did not know I had, so I am getting them ready for a Monday night Mini Stash Sale.

In my mind, as confusing as it is, I was thinking that the first few Monday nights back I will be bringing storage boxes and such for sale. Some of the cases have beads in them, and they

will go as is. Then we can all play it by ear. If you have stuff you would like to part with, bring it. This way we are not overwhelmed with setting aside tables and lots of planning. Let's make it easy on ourselves, do a little bit each week. I chose Mondays because I do not usually come on Wednesdays, but both days are good for selling off excess stuff!!!
