BEAD NEWS
JANUARY 2021 Edition

Linda Miller, Editor

Welcome to the New Year. New officers and I am your new Newsletter Editor. I am not new to beading; even though you may not have seen me in the club on a regular basis. Since I am a multi-media artist I am also a member of several other clubs. I took my first beading class at Glendale, AZ Parks and Recreation over 30 years ago as a reward for passing the CPA exam and completing my Masters degree in Accounting. I was hooked-the colors, the sizes, the textures. I wanted it all! Since I also do lapidary, I have a large collection of gemstone beads to compliment my work. I promise to get to know all of you better once things get more back to normal.

2021 Officer:

Announcements:

- 1) The display in the library is canceled for January 2021. The next scheduled display date is October 2021.
- 2) Remember-**DUES ARE WAIVED FOR 2021**. If you were a member in 2020 you are automatically a member in 2021.
- 3) The Rec Center has suspended the Made-in-Whole or-in-Part at Club Rule of the Village Store Agreement during the COVID pandemic. At the 12-14-20 meeting, the Beaders' Board agreed to temporarily modify our Policies and Procedures regarding selling to agree with the Rec Center temporary modification. During the COVID pandemic, you can sell at the Village Store or a craft fair, items that would normally be made at clubs but now made completely at home. Your items will still need to go through the same process and be QC'd at the club before they are taken to the Village Store. Also as a reminder to sell in the Village Store you have to be a Member in Good Standing.
- 4) The February 6, 2021 Bling Fling has been canceled.
- 5) Karen Osmond successfully taught a beaded bracelet class using Zoom on December 3rd. Hopefully we will have more classes using Zoom coming up in 2021.
